Employee of the Month

Our Employee of the month for October is our concierge Lexie! She started Volunteering in the activities department 8 years ago and found a lifelong love for Seniors. Caring for Seniors is in her blood as both of her parents have worked in Assisted Living communities for over 30 years! In her free time, you can find Lexie traveling to Chicago, Oklahoma, and Mexico. She loves to spend time with her family and her friends. Don't let her bubbly personality and giant smile fool you, Lexie is on the verge of becoming a Medical Examiner.

Thank You Lexie! We appreciate you and all your hard work.
